

Your Search Committee Moving Forward

From Jim Verschueren on behalf of the Search Committee

The Search Committee currently meets regularly on the fourth Tuesday of the month and additionally as needed for timely decision-making. The search process is definitely picking up speed now. As the Communications Coordinator, I am charged with keeping the congregation informed as we are committed to a high level of transparency and accessibility. Please contact us at any time at search@southchurch-uu.org.

Highlights of Our June 23 Meeting

- One of our early duties is to form a covenant to guide our work and how we interact as a team. We reviewed a first draft and anticipate having a final document for adoption at our July meeting.
- Co-Chairs Michelle Anderson and Alice O'Traynor provided some additional orientation to BaseCamp, the organizing software we are using - a learning curve for all of us.
- We set the date for our virtual retreat with our UUA coach. As we have done much of the retreat work already (thanks to the congregation moving quickly to name the Search Committee), our retreat will be in two sessions, Saturday & Sunday, July 11 & 12.
- Two of our task-oriented subgroups reported on progress:
 - Development of the congregational survey that will be launched over the summer is on target; and
 - The Search Committee page on the church website has been designed and will soon be posted.

We were sad to accept the resignation of Rebecca Webb from the Search Committee. We will very much miss her thoughtful, insightful contributions.
