

From Your Search Committee:

February 2021 Report to the Congregation: Two Out of Three!

This will be our shortest report, probably ever! We are in the midst of the candidating weekends. Two of three have been completed and, suffice to say, we have not been disappointed. One more candidating weekend before we have to submit our ranked choices to the UUA at the end of this month.

Special thanks this month to our staff - Sean for making sure our church building was clean, Jen and all who work at Court Street for making that building a showcase, Kevin for regulating the heat (and telling us how!), Kirsten and Rev. Susan for making time available to meet with our candidates. We are blessed with wonderfully competent, caring people. Thank you.
