Opening Hymn #1011 - *Return Again*

Return again, Return again,
Return to the home of your soul.

Return to who you are,
Return to what you are,
Return to where you are
born and reborn again.

Closing Hymn #1037 - *We Begin Again in Love*

[spoken] For remaining silent when a single voice would have made a difference ...
We forgive ourselves and each other; we begin again in love.....

[spoken] For each time that our fears have made us rigid and inaccessible ...
We forgive ourselves and each other; we begin again in love.(repeat after each verse)

[spoken] For each time that we have struck out in anger without just cause ...

[spoken] For each time that our greed has blinded us to the needs of others...

[spoken] For the selfishness which sets us apart and alone...

[spoken] For falling short of the admonitions of the spirit...

[spoken] For losing sight of our unity...

[spoken] For those and for so many acts both evident and subtle which have fueled the
illusion of separateness...
