BUILDING NEW BRIDGES – TAKING ON NEW ROLES

Ways to be Involved

1. Participate in the Jericho Walk

9-10 am on the first Tuesday of the month.

Federal Building, 275 Chestnut St., Manchester

About 50 participants meet to walk for about 25 minutes in a circle in front of the Federal Building where immigrants are scheduled to meet with ICE agents to review their cases. Before the actual walk begins, one of the attending ministers prepares a brief service to recognize the spiritual meaning of our gathering. Email BJ Lates at bjlates7@gmail.com for more information or with questions.

2. Participate in the weekly 5 Calls zoom meeting led by Rev. Ellen

Thursdays at noon on Zoom

This provides a gathering space for us to make our phone calls in our homes knowing that our friends are doing so at the same time. Togetherness at its best! Email Rev. Ellen at revellen@southchurch-uu.org so that she can send you the Zoom link.

3. Work with the Neighborhood Support Team. Connect with Janet Polasky at

janet.polasky@gmail.com or Jim Verschuere at jd.verschuere@gmail.com to find out what work needs to be done to support our Haitian friend.

4. Participate in demonstrations – they are everywhere! [NH Forward](#), [Mobilize](#), [Indivisible](#)

5. Learn about our rights as citizens and [the rights of immigrants](#). Attend trainings. Give out [red cards](#) to friends.

6. Write letters, postcards, sign letters to our State and Federal legislators concerning positive and harmful bills. Find out about what bills need action: [Citizens Count](#), [American Friends Service Committee State House Watch](#)
